## GR

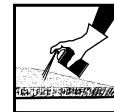

### Gum Remover

*Quickly and easily removes chewing gum, candle wax and other gummy substances. The fast freezing action of this gum remover simplifies clean up, simply spray on gum until frozen solid and pop off gum with a putty knife. May be used on most surfaces. No other product will work as fast or as effectively.*

#### USES

- Carpeted areas
- Resilient tile floors
- Formica®
- Stainless steel
- Hard tile floors and walls
- Wood surfaces

#### BENEFITS

- **Fast** freezing action hardens gum or wax to a brittle state for quick, easy removal.
- **Convenient** aerosol is easy-to-use. Allows for much quicker clean up than with messy solvents.
- Does not leave a residue.
- Does not contain 1,1,1-Trichloroethane.
- **No CFCs.**
- **No HFCs.**

#### PROPERTIES

Appearance .....	Colorless
Flammability .....	Extremely flammable
Fragrance .....	Characteristic
Net weight .....	7 ounces
Residue .....	None
Shelf life .....	1 year
Spray pattern .....	Wet spray
Storage stability .....	120°F maximum

#### AUTHORIZATION

Requires no authorization by USDA prior to its use in offices and other similar nonprocessing areas.

#### DIRECTIONS FOR USE

**Read the entire label before using this product.** Shake well before using. Spray on gum until frozen. Use a putty knife to chip off solidified gum.

#### SAFETY

Keep out of reach of children. For institutional and commercial use.

**DANGER:** Extremely Flammable. Contents under pressure. Harmful or fatal if inhaled or swallowed. Eye and skin irritant. Do not spray near heat, sparks, or open flames. Do not puncture, incinerate, store in direct sunlight or keep in temperatures above 120°F (50°C). Do not place near source of heat or radiator as high temperatures may cause container to burst. Carefully read all cautions.

**FIRST AID:** If swallowed, do not induce vomiting. Call a physician immediately. Use with adequate ventilation. Deliberately concentrating and inhaling the vapor of the contents may be harmful or fatal. Provide fresh air if overcome by vapor. Administer oxygen upon advice of medical personnel. Avoid frequent or prolonged contact with skin or eyes. If sprayed in eyes, flush with water for 15 minutes. Contact physician immediately. Remove contaminated clothing. For skin contact, wash with soap and water. May require treatment for frost bite.

#### AVAILABLE IN

Case/12 -7 oz. Aerosols (198 g): #00923
